Baltimore, MD – **Praxis Engineering** raised \$12,000 for Meals on Wheels of Central Maryland at their 2nd Annual Charity Golf Outing. Meals on Wheels will use the donation to provide home-delivered meals to individuals who are homebound, frail, and elderly in Central Maryland.

“We are extremely grateful to Praxis Engineering for donating the proceeds of the 2nd Annual Golf Tourney to Meals on Wheels of Central Maryland,” said Tom Grazio, Executive Director, Meals on Wheels of Central Maryland. “With these tough economic times that so many businesses and individuals are facing, it is nice to know that there are good corporate citizens willing to lend a hand.”
