

FOR IMMEDIATE RELEASE

Praxis Engineering Announces New Director for Strategic Markets Business Unit
Praxis welcomes Charlie Duren

Annapolis Junction, MD, April 24, 2009 – Praxis Engineering today announced that it has appointed Charles (“Charlie”) Duren as director of Praxis’ Strategic Markets business unit responsible for the management and development of all business in the Northern Virginia market place.

Mr. Duren is an IT industry veteran with over 20 years experience in the products, solutions, and technical services areas covering both the Federal and Commercial market segments. Prior to joining Praxis, Mr. Duren has held leadership positions at Group One Software, McDonald-Bradley, and Information Builders where he gained extensive experience in the northern Virginia DoD and Intel markets.

“Praxis is proud to get a person of Charlie’s caliber and proven record of success. His impressive reputation and experience makes him an ideal candidate to lead our Strategic Markets business activities in Northern Virginia,” states Bill Dunahoo, President of Praxis. “We look forward to continued success and growth in this critical market, and are all committed to supporting Charlie and our entire Northern Virginia team help our customers succeed in meeting their business and mission critical objectives.”

Charlie Duren states, “I am thrilled to be part of the Praxis team. Praxis has always been known for their technical expertise, quality personnel and innovative solutions. I am looking forward to applying these capabilities to the complex problems our customers face every day.”
