

Praxis Engineering Has Been Ranked Number 2 in the Baltimore Business Journal's Top 25 Software Development Firms

Praxis Engineering, a leading consulting, products and solutions firm, is pleased to announce they have been ranked number 2 in the Baltimore Business Journal's Top 25 Software Development Firms.

Bill Dunahoo, President of Praxis Engineering, states, "At Praxis, we are dedicated to the success of our customers through Execution Excellence. This dedication continues to be rewarded and recognized. Our employees contribute every day to making Praxis what it is and what it can become by helping our customers meet their business and mission objectives. Praxis is proud to be listed alongside so many other great companies."

"This is the first year Praxis Engineering has been listed on Baltimore Business Journal's top 25, and we are extremely pleased to be ranked so highly," states Mark Klein, Executive Vice President. Mark continues, "What makes this ranking so much more humbling for us is the roster of great companies that round out the top 25. We view this achievement as an acknowledgment of the quality, dedication, commitment and expertise of each member of the Praxis team."

About Praxis Engineering

Praxis Engineering, headquartered in Annapolis Junction, Maryland is a consulting products and solutions firm dedicated to the practical application of software and system engineering technologies to ensure the success of our customers. Praxis Engineering brings together world class engineering talent combined with software engineering best practices, domain expertise and commercial technologies to create high-value solutions aimed at helping our customers meet their mission critical needs.
