

ANNOUNCEMENT

Praxis Engineering Appoints Mr. Brian Cooper as the New Director of Cyber Network Operations Business Unit

Annapolis Junction, MD, May 12, 2011 – Praxis Engineering announced the appointment of Mr. Brian Cooper as the new Director of the Cyber Network Operations Business Unit. In his new role, Mr. Cooper is responsible for operational execution, establishing strategic relationships, and corporate business development activities centered on the growing cyberspace market place. As a Business Unit Director, Mr. Cooper will report directly to the President of Praxis.

Mr. Cooper has over 17 years of diverse experience in the Intelligence Community, from serving as a cryptologist in the United States Navy, to software engineering, program management to executive management in private industry. Mr. Cooper graduated with a B.S. in Computer Studies from the University of Maryland -- University College. He is a member of the Armed Forces Communications and Electronics Association (AFCEA) and currently serves on the International Intelligence Committee, AFCEA Central Maryland Board of Directors, and is a former Past-President of the AFCEA Central Maryland Chapter.

“Our CyberSpace centric business continues to grow and we needed a proven leader focused on this important mission space” Stated Bill Dunahoo, President of Praxis. “Brian has been at the forefront of our efforts and this promotion is really just an acknowledgement and formalization of the role he has played here at Praxis for sometime.”
