

## **ANNOUNCEMENT**

### **Praxis Engineering Appoints Ms. Donna Grimes as the New Director of Data Transport Solutions Business Unit**

*Annapolis Junction, MD, May 12, 2011* – Praxis Engineering announced the appointment of Ms. Donna Grimes as the new Director of the Data Transport Solutions Business Unit. In her new role, Ms. Grimes is responsible for the day to day operational execution and strategic planning of one of the DOD's largest Data Transport Programs as well as the technical, fiscal and administrative execution of the Business Unit.

Ms. Grimes has over 24 years of collective experience in the Private sector and DOD community, as a software engineer, program manager, and executive level manager. Ms. Grimes graduated Summa Cum Laude with a B.S. in Computer Science from the University of Pittsburgh -- Johnstown Branch. She is a certified Program Management Professional (PMP) and is a member of the Armed Forces Communications and Electronics Association (AFCEA).

"Donna has managed our infrastructure effort flawlessly for over 2 years", stated Bill Dunahoo, President of Praxis. "We could not be more fortunate than to have an executive the caliber of Donna leading this strategic business area for Praxis."
